Canberra High School Band Performances Term 4 2020

Tuesday 20 October 2020

Dear Parents, Carers and Students,

On Friday 6 November and Monday 9 November all the Bands at Canberra High will be doing performances **with an audience!** Yes, you will be able to come and watch your children perform live and in person. As you will appreciate, the logistics of this are fairly complex. We have put a map and timetable at the end of this note that will indicate when each Band has their performance and what the arrangements are for you to queue for these. There is also a list of how many tickets each family will be allowed to have initially for each band. This is purely to do with the number of students in that band, so that we can keep under the maximum number of adults allowed. If all the tickets have not been allocated by Week 4 (Monday 2 November) you will be able to request extra tickets for individual performances. Performances will be in the school hall, and will be both live streamed and recorded for anyone that can't attend.

We are required to collect information for contact tracing purposes, and because of this we are requesting that you fill out this Google Form and do one for each of your children in Band:
<https://docs.google.com/forms/d/13HtAvXpZmGZr2hOqE4wflwge1RR2H9pTnDsm66W1-oE/edit?usp=sharing>

This is so we can prepare for who is going to be attending on the day. We also understand that sometimes your plans change and a different family member may attend on the day. To cover this we will also have a QR code for you to sign in with on the day.

There are also restrictions that we currently have for adults on school grounds, and this means that we will need to ask you to park at Jamison, and line up outside the lower school gates. This will be clearly marked on the day and on the map below. Given that we are expecting more rain than usual at the moment, please remember to bring an umbrella as we will not be allowed to let you into the school during recess or lunch if there is a downpour as you line up. Could you also leave the chairs in the hall 1.5m apart so that we can comply with the Department's social distancing rules.

We realise that the logistics of each performance are complex, but we really appreciate you coming to watch. It has been a difficult year for everyone, and it is astounding that each band will have their first and last performance of the year. We're really excited for you to come and hear the Bands, and they're excited to be able to play for you.
