Permission Note

Ledger Code:

I give permission for my child _____ in ACE GROUP _____ to attend the Canberra High School swimming carnival at Big Splash on 07/02/20, making their way to and from the venue.

I have enclosed \$14 for the event.

Arrangements for Non-Proficient Swimmers, Code of Conduct and Parental Agreements:

An area for supervision and conduct of activities for non-proficient swimmers will be identified and designated at the pool venue. When non- proficient students enter the water for activities they will be supervised by school staff within the pool in small groups with a maximum ratio of 1:10.

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Unacceptable behaviour will be treated as it is normally treated at school, (reminders, time out in a designated spot, and exclusion from an activity) but with the additional factor that the student may be returned to school should the behaviour be extreme or overly persistent.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

I agree to my child participating in the swimming/aquatic activities mentioned previously. I have discussed with my child the need for sensible behaviour on this excursion. I authorise the school to make arrangements for the welfare of my child (including medical or surgical treatment) in an emergency and I agree to meet the associated costs. I have provided to the school all medical information relevant to my child's attending this event.

I agree that my child will be under the authority of the school for the duration of the excursion and that the school is authorised to return my child to school or home at my expense if the school considers that circumstances warrant such action. I give permission for my child to travel by private car, driven by a staff member or parent, in an emergency. I agree to provide any relevant medical information to the school to the excursion.
