

Canberra High School
— ESTABLISHED 1938 —

24/7/19

Dear Parents/Guardians,

During Semester 2, students studying VET Building and Construction will have the opportunity to observe the progress of two construction sites. On several occasions throughout the semester, students will walk to the sites in Aranda during their VET Building and Construction class time. This activity links to the Unit of Competency we are currently studying – ‘Undertake a basic construction project’. These sites will be viewed from the outside of the fenced area and will not be entered.

Please contact me on (02) 6142 0800 if you have any concerns regarding these outings.

Thank you,
Tim Hartgers
