

CANBERRA HIGH SCHOOL - Technology Learning overview for Term 1

Subject: 9/10 Textiles

During Term 1, students will learn, discover and develop skills in textiles and design. This term beginning students will learn how to operate a sewing machine. Returning students will continue to develop their skills through a variety of projects. Emphasis will be placed on skill development, safe and appropriate use of tools and equipment and using the design process.

Work and communication will occur in class and within your child's Google Classroom page.

Week	Topic	Content/Activity/Tasks
