As this is an optional enrichment activity, payment will be required to cover the costs. The school has made every effort to keep costs for this activity at a reasonable level. We have an equity fund which can be used to provide financial assistance for students where parents are unable to make the requested contribution. If however there is insufficient total funding available to meet the cost of the camp/excursion, regrettably we may not be able to proceed.

Refund Policy: If a student and/or parent has made a financial commitment to an excursion and if the student is unable to attend for any reason (except in the case of sudden illness), the student and/or parent is entitled to a refund of money paid minus any non-refundable financial outlay that the school has made on behalf of that student. The school will endeavour to find a replacement for that student, in which case, all money will be refunded. The usual appeal provisions apply.

Permission note

Permission Note to Be Signed by Parents

I give permission for my child
to attend Outdoor Education Year 10 Caving and abseiling camp at Wee Jasper
from Wednesday 20th September 2017 to Thursday 21st September 2017

The ACT Department of Education and Training is an agency of the ACT Government (the Territory). The Territory has insurance arrangements in place in order to meet certain liabilities. The Territory meets claims (including claims resulting from school activities or excursions) against it where there is a legal liability to do so. Liability is not automatic and depends on the circumstances in which the injury or illness was sustained. Parents should obtain their own advice about private insurance protection that may assist in meeting expenses if their child is injured or suffers an illness in circumstances where there is no liability on the part of the Territory. If the outside provider of the service or activity has requested that you sign a waiver or disclaimer statement, the ACT Department of Education and Training recommends that you consider carefully any risks involved before proceeding.

- I authorise the teacher-in-charge to make arrangements for the welfare of the student (including medical or surgical treatment) in an emergency
I agree to meet the costs associated with any emergency arrangement made by the teacher-in charge (free ambulance transportation applies only in the ACT)
I agree that the student will be under the authority of the school for the duration of the activity, and that the teacher-in-charge is authorised to return the student home at the expense of the parent/guardian if the teacher-in-charge considers that circumstances warrant such action
Please complete the attached medical form which will include information about current medical requirements and/or other needs of the child relevant to the activity
The Excursion Medical Information and Consent Form must be completed and returned to the school prior to the excursion.

(Where relevant) I agree to my child travelling by private car, driven by a staff member or leader as the case may be.

(Where relevant) I understand that video and photographic material may be taken of my child on the excursion for assessment, display, moderation and publicity purposes and give permission for this to occur.
