Big Science Competition

29th March 2019

Dear Parent/Carer

This year students will again have the opportunity to participate in the Big Science Competition. The Science Competition will be held **Wednesday 29th May** (Week 5 of Term 2). Entry cost is **\$7.00** for the Science Competition. Money needs to be paid to the front office **no later than Friday 10th May**.

The Big Science Competition gives students an opportunity to discover their science talent, while also encouraging critical thinking and problem-solving skills. The questions have been developed by scientists and Australian teachers to test scientific thinking.

This year the competition will be completed online using students' Chromebooks. This competition is open to all students in all year groups. However, the participation of all Level 1 Science students is expected.

Students will receive certificates of High Distinction, Distinction, Credit and Participation.

To enter students need to pay the entrance fee to the front office and return the signed permission slip to their Science Teacher.

Yours sincerely
