GRADUATION

Due to the changing restrictions from ACT Health, we have had to make some amendments to the Graduation ceremony that will be taking place on Wednesday, December 8th.

The time of the event **will now be 5:30pm for a prompt 6:00pm start**. Students are expected to arrive at school in full school uniform. We have also had to amend the venue and organisation as detailed below. We will send out communication no later than Monday, December 6th to advise which set up will take place.

The Graduation for both options is a ticketed event to ensure that we have contact tracing details. Each student is able to have **2 guests** present at the graduation. To accommodate this, we will also live stream the graduation and have a recording made so that you will have access to it. **Please do not congregate after the graduation on school premises.**

IMPORTANT: Guests will need to register their details if wanting to attend this event. Links are located under each house timeslot below.

Option A- Outdoor event

The Graduation will take place outdoors in the Main Quad. To comply with COVID restrictions we ask that parents and students follow and adhere to the instructions below.

Student arrival

Students must be dropped at the rear carpark to the school and enter the school via the gates near the PE staffroom/gym. Students must proceed directly to the Canteen/AB1 area and sit in alphabetical order by ACE. Students will need to sign for their Year 10 certificate and VET certificate if applicable. It is important that all students arrive no later than 5:30 to ensure that this process happens smoothly.

Parent arrival

Parents are able to arrive from 5:30 to ensure that we have a 6:00 start. Parents are to enter via the back gates near the GYM. Tables will be set up near science to allow parents to check in via the CBR app and also have names marked off the ticket registration sheet and move to a seat.

Conclusion of the evening

At the conclusion of the evening students will be clapped down the middle of the quad and then exit via the breezeway to the front of the school.

Parents will exit the main quad and collect their child from the front of the school and exit the school via the front carpark. Photo opportunities are able to occur at the front of the school but we do ask that you do not linger and congregate.
