

## CANBERRA HIGH SCHOOL - Learning overview for Term 1: Mathematics

During Term 1, Year 9 will investigate Real Numbers, Money and Financial maths and Algebra. Work and communication will occur in class and within your child's Mathematics Google Classroom. Accompanying the Google Classroom is the online resource Hub <https://bit.ly/CHSmathsyr9>. This website has all the resources available throughout the term and it will be a valuable aid for your child's learning including students requiring support and those requiring extension and enrichment.

Week	Topic	Content/Activity/Tasks
