

Canberra High School
- ESTABLISHED 1938 -

Dear Parent/Guardian,

To obtain a Learner's Licence in the ACT students must first successfully complete the Road Ready Course.

Canberra High School will be providing Year 10 Students with an opportunity to complete a Road Ready Course after school in terms two and three in 2021. The Road Ready program is a road safety course that focuses on minimising dangerous and risk-taking behaviours.

The Road Ready Course will be offered after school and students will need to attend on either a Tuesday or Wednesday afternoon session from 3.00pm to 4.30pm commencing in Week 1, Term 2 (for Semester 1). The Semester 2 classes will commence in Week 1 of Term 3. There will be up to 80 places offered each semester. Classes will run for 9 weeks (13-hours in total). Following the successful completion of the theory component of the course (first 8 weeks), students will undertake an on-line multiple-choice test at lunchtime in Week 9. Upon passing the test and completing all class requirements, students will be issued with a certificate enabling them to obtain an ACT Learner's Permit.

Students will be required to attend every Road Ready session (8 in total) and catch up if they miss a lesson.

Please complete the detachable section of the sheet below and return to Mr Miles or your ACE teacher by Thursday Week 4 (25th February). The course is free of charge.

If you require further information, please do not hesitate to contact me on (02) 6142 0800 (Front Office) or (02) 6142 0816 (Maths Staffroom), email: geoff.miles@ed.act.edu.au

Please Note: The Road Ready Course is not a compulsory part of the school curriculum and students can undertake the road ready course with other providers outside the school.
