- **3.** You will be taken to a webpage with options on how to join in the Teams Meeting.
 - a) You can download the app for Windows or Mac.
 - **b)** You can use your web browser.
 - c) You can open with the Teams app if you already have it downloaded.

When you are ready to join you will be asked to type your name and check your camera and microphone settings.
Please use the name on your PTO so that teachers can cross check times.

You can **toggle the camera and microphone on and off**. Having these switched off whilst you are in the lobby will help save your bandwidth.

After you click Join now you will be placed in the lobby.
At the start of your appointment the teacher will admit you into the Meeting.

Appointments are 5 minutes long and around the 2-minute mark the teacher will let you know that the appointment is almost finished. They will have the next parent waiting.
